

Solent Sky Tram Event Unloading Notes

Set up times

Friday 17:00 to 20:00

Saturday 08:00 to 10:00

Sunday 09:00 to 10:00

Take down

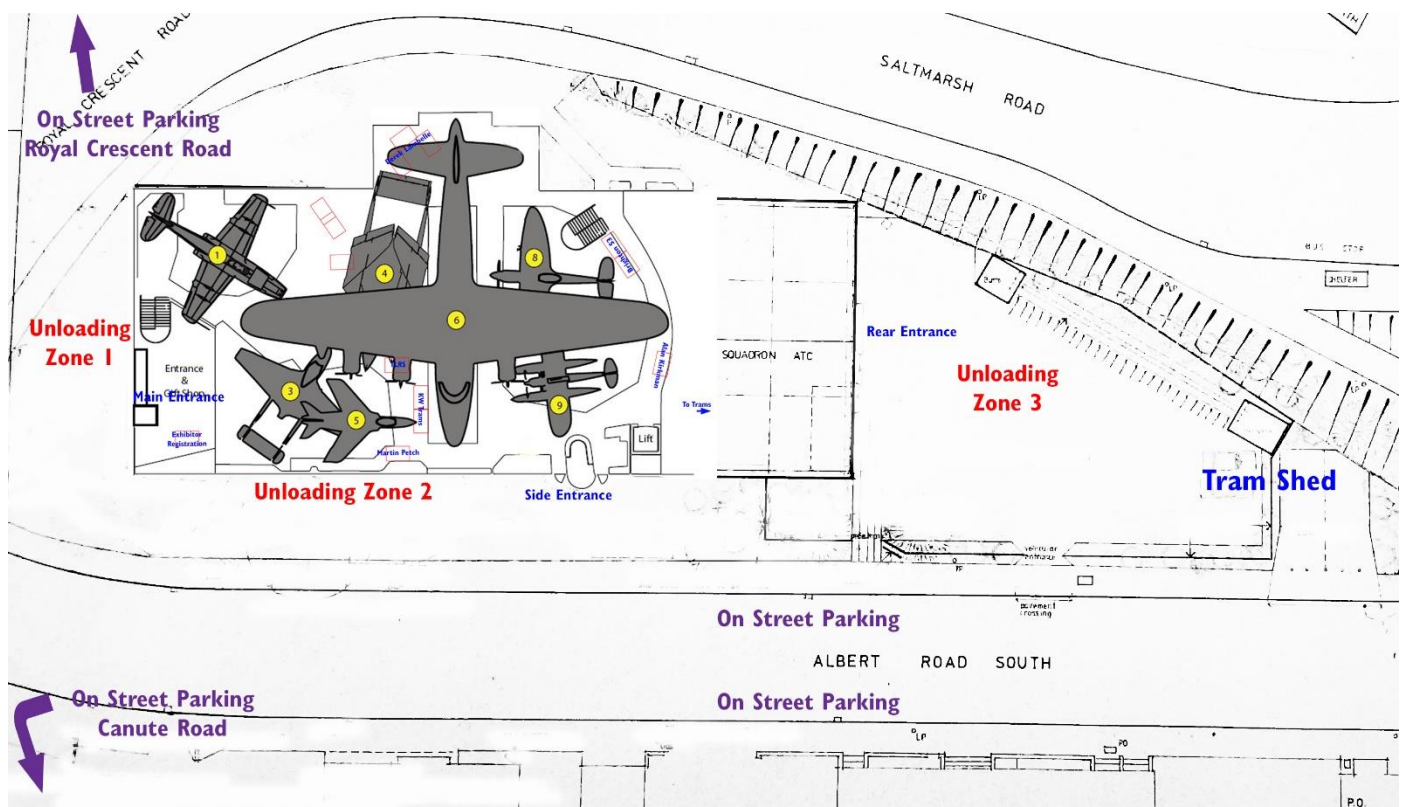

Sunday 17:00 to 18:30

The public will have access to the museum until 17:00 on Friday so we can't start setting up exhibits / stalls etc in the publicly accessible areas of the museum until after 17:00.

The museum is open to visitors from 10:00 to 17:00 both days, so all set up must be complete by 10:00 and no take down can be done until 17:00 on Sunday.

There will be a desk to the right inside the main entrance for registration of exhibitors, store holders etc. You will be able to collect your badges etc from the desk.

There are 3 entrances to the museum, and 3 areas to park to unload / load.

There are 3 areas within the museum where stalls / exhibits will be sited.

The location for each stall / exhibit should be clearly marked.

If possible, it would simplify movement throughout the site if stall holders located on the Flying Boat Gallery used the main entrance and parked on the tarmacked path at the front of the museum to load / unload (Unloading Zone 1).

Stall holders located in the main hall should use the side entrance and the off-road parking on the tarmacked path at the side of the museum (Unloading Zone 2).

Stall holders located in the first-floor meeting rooms should use the rear entrance and park in the museum car park (Unloading Zone 3).

As soon as you have unloaded, please move your vehicles off the museum site to the on-street parking parked in purple on the map.

If you are planning to use electrical equipment please could you get it PAT tested if possible.
